2020-21	92	83	90.22%	29	121
2021-22	96	80	83.33%	40	136
2022-23	123	102	82.93%	30	153

Westminster College tracks retention and graduation data by major for the majors offered by the department.

The data shown in the table above indicates the number of students in the program, the number retained from Fall-to-Fall semester, the percentage retained during that time period, the number of graduates from the program in that academic year, and the total number of unique students enrolled in majors offered by the department.
