Please note the above information is not inclusive of all graduates.

Source of information: Future Plans Questionnaire, personal contacts, information from faculty and staff, and in some cases, social media (i.e. LinkedIn)

Methods of collection: The Future Plans Questionnaire is distributed to all seniors via email, Career Services' website and during two events (Senior Salute and Assessment Day). Once matriculated, graduates are emailed the Future Plans Questionnaire, social media sites are checked for valid information, and faculty/staff are surveyed.

Timeline: Information is gathered for one year following graduation. Information reported for the "placement rate" (see Factbook) is gathered 6 months after graduation.
