This three-bedroom house has one useable bathroom. It also includes a kitchen, living room, dining room, and a sunroom that can be used as a fourth bedroom. The school provides a refrigerator, stove, oven, dishwasher, and washer and dryer. Parking is limited, and on weekends music can easily be heard due to its close proximity to the fraternity houses. There are five phone lines and five Westminster computer network ports in the house.

A minimum of four students is required for occupancy of the house.
