

329 W. 7th Street – Remley Women’s Center

A Level: \$5190/year

This two-story, five bedroom brick house has charm. It was remodeled in 2009. It has two full baths. Two of the bedrooms are large enough to accommodate two individuals; however the other three are single rooms. It also includes a living area, a dining room, kitchen, and a full basement. There is also a back porch and a large fenced in yard. The school provides a refrigerator, stove, oven, dishwasher, and washer/dryer. There is limited parking space and shares a driveway with Residential & Greek Life so the driveway cannot be blocked. Street parking and parking lot across the street is also available. There are eight phone lines and eight network ports in the house.

A minimum of six students is required for occupancy of this house.
