

Use the IRS Direct Data Exchange Process

This process can be used when completing or correcting the FAFSA application. You will be required to give your consent to have your 2022 federal income tax information uploaded from the Internal Revenue Service (IRS) into the FAFSA. This is available to the student and/or parent tax filer within 2 to 3 weeks after electronically filing your 2022 Federal income tax return (6-8 weeks if the tax return is filed by paper) and paying your IRS tax liability, if applicable. This is the fastest, easiest and most accurate method to include your final 2022 Federal income tax information on the FAFSA.

On-line:

1. Go to www.irs.gov
2. Click on “**Get Your Tax Record**”.
3. You may click on the “**Get Transcript Online**” box and follow the instructions that will allow you to print out your **2022** return transcript(s) immediately **OR**
4. You may click on the “**Get Transcript by Mail**” box and Enter the tax filer’s Social Security Number, date of birth, street address, and zip code. (Be sure to use the **exact** address currently on file with the IRS). Click Continue; under Select Transcript Type choose, “**Return Transcript**” then under Select Tax Year, select “**2022**”. If successfully validated, tax filers can expect to receive paper IRS Tax Transcript(s) in the mail within 5 – 10 days.
