

SPRING '21 EDITION

WESTMINSTER COLLEGE PARENTS ASSOCIATION

Welcome!

We at Westminister College highly value the engagement of parents in their student's experience and therefore want to take this opportunity to highlight the Parent's Association. We are always looking to expand our membership and are currently in the process of looking for officers. The Parent's Association is an active part of campus life and we strive to keep you connected to your students. We also assist with financial support for activities help with move-in, and host a Family Weekend.

If you are interested in this leadership opportunity or have questions, please contact Margie Lechner at Margie.Lechner@wcmo.edu.

Wellness Center

As a friendly reminder students have access to health and counseling services at no additional costs. The Wellness Center has COVID-19 testing available for students, as well as a hotline for students and/or parents to call if they have questions. For more information regarding our policies and response to COVID-19, please check out the [website](#).

Questions? Contact Margie.Lechner@wcmo.edu
