

## General Liability Release Agreement

(This is a release, please read carefully)

I, \_\_\_\_\_, ID# \_\_\_\_\_ am a degree-seeking student at Westminster College.  
(Student Name)

Westminster College is an active and thriving campus with numerous extracurricular activities for its students to participate in. These events may include trips that take you away from the city of Fulton and require travel, programs on and off campus which may challenge and engage you physically and socially, or other activities that are purely entertaining. While we encourage you to experience as many of these opportunities as possible, we also ask that you be mindful of the risks you may be taking by participating or attending such events. While the College does not knowingly provide opportunities which may pose undue risks to any participants, there may be specific activities that could pose risks that are beyond the control of the College, its agents or employees.

### Insurance Coverage

I have sufficient health, accident, disability and hospitalization insurance to cover me during my activities; I further understand that I am responsible for the costs of such insurance and for the expenses not covered by this insurance, and I recognize that Westminster College does not have an obligation to provide me with such insurance. If I do not have insurance, I acknowledge that all costs resulting from injury will be borne by me and not the College.

I assume full responsibility for any undisclosed physical or emotional problems that might impair my ability to complete the experience, and I release Westminster College from any liability for injury to myself or damage to or loss of my possessions.

I understand that if I use my personal vehicle for any portion of a trip, activity or event, Westminster College has no liability for personal injury or property damage that may result from that use. I agree to rely solely on my personal vehicle insurance coverage.

Further, I understand that Westminster College assumes no liability for personal injury, which I may suffer in the course of my participation in such events.

### Personal Conduct

I understand that the responsibilities and circumstances of any student activity event may require a standard of professional decorum. Therefore, I indicate my willingness to understand and conform to core values of Westminster College and to conduct myself with *integrity, fairness, respect, and responsibility*. I further understand that it is important to remember that I represent Westminster College at all times during a College-sponsored activity, and will not compromise Westminster College in the eyes of those I may interact with during any trip, event or activity. I agree that should any College official, trip chaperone, or other professional participating in the event deem my conduct inappropriate, I will immediately cease my involvement with the said activity and potentially be disallowed to take part in further College-sponsored activities.

### General Release

I understand that Westminster College reserves the right to make cancellations, changes or substitutions in cases of emergency or changed conditions or in the general interest of the Student Activities program. I understand that any Westminster College official assisting with a College activity may take any actions he/she considers to be warranted under the circumstances to protect my health and safety and/or to guard the integrity of the activities program, including termination of the sponsored event.

It is further expressly agreed that the activity site and its use of any and all facilities shall be undertaken by me at my sole risk and that Westminster College shall not be liable for any and all claims, demands, injuries, damages, actions, or causes or actions, whatsoever to me or to my property arising out of or connected with the activity, and with the use of any and all services, or facilities associated with the event, whether or not sponsored by Westminster College. I also agree that I will abide by all rules and regulations set forth by any sponsored entertainer, activity provider, or off-campus activity site; this includes but is not limited to transportation laws or park guidelines and policies. I also recognize that I may be asked to sign an additional waiver at any event that would be provided by the activity's sponsor. I release, discharge and covenant not to sue Westminster College, its governing board, employees or agents as to any and all liability that may arise out of injury or harm to me, death, or property damage, resulting from my participation in this extra-curricular activity
