Students will develop in-depth expertise in the history, causes, limits, and means of countering terrorism. Taken together, the classes offer students the opportunity to explore terrorism globally and domestically. Students will learn to think critically about the popular understandings of terrorism. Finally, the students will be able to articulate orally and in writing about the roots of terrorism, types of terrorism, and the real and imagined impacts of terrorism. This certificate can enhance the resume of students with majors in any of the College divisions. Examples include: Humanities; understanding the religious and historical contexts of terrorism; Natural and Mathematical Sciences: understanding issues surrounding cyberterrorism and terrorist attacks with biological agents; Social Sciences: counterterrorism policy; economic impact of terrorism.
