2025-2026 Verification Worksheet (V1)

Your FAFSA application was selected for review in a process called "Verification". In this process, we are required to compare information from your FAFSA with copies of your, your spouse's (if married), or your parents' (if you are dependent) 2023 federal tax return transcripts, or if not filing taxes with W-2 forms or other financial documents. **(Please see enclosed letter for list of documents required)** Federal regulations require us to collect this information before disbursing any federal aid. If there are differences between your FAFSA and the verification documents provided, we will submit the corrections to your FAFSA application to be reprocessed.

Use the IRS Direct Data Exchange Process

This process can be used when completing or correcting the FAFSA application. You will be required to give your consent to have your 2023 federal income tax information uploaded from the Internal Revenue Service (IRS) into the FAFSA. This is available to the student and/or parent tax filer within 2 to 3 weeks after electronically filing your 2023 Federal income tax return (6-8 weeks if the tax return is filed by paper) and paying your IRS tax liability, if applicable. This is the fastest, easiest and most accurate method to include your final 2023 Federal income tax information on the FAFSA.

OR You May Use the IRS Tax Return Transcript Request Process

2023 Federal income tax filers (students and parents) who elect not to use the IRS Direct Data Exchange process must submit a 2023 IRS Tax Return Transcript to the Student Financial Planning Office. To request a return transcript free of charge from the IRS, select the one of the following methods. Your 2023 Federal income tax return must be accepted by the IRS and you must have paid your 2023 IRS tax liability, if applicable, before you may request a transcript.

On-line:

1. Go to www.irs.gov
2. Click on the “**Get your tax record**”.
3. You may click on the “**Sign in to your online account**” blue box and follow the instructions that will allow you to print out **2023** return transcript(s) immediately **OR**
4. You may click on the “**Get transcript by mail**” blue box and enter the tax filer’s Social Security Number, date of birth, street address, and zip code. (Be sure to use the **exact** address currently on file with the IRS). Click Continue; under Select Transcript Type choose, “**Return Transcript**” and under Select Tax Year, select “**2023**”. If successfully validated, tax filers can expect to receive paper IRS Tax Transcript(s) in the mail within 5 – 10 days **OR**
5. By Automated Telephone Request by dialing 1-800-908-9946 and following the prompts. Transcript is generally received within 5-10 business days from the IRS’s receipt of the telephone request.

***If you are unable to obtain the required 2023 Federal Tax Return Transcript(s) by using one of the above methods you will need to contact the IRS at 1-800-829-1040, then choose option 1 for English or 2 for Spanish, option 2, option 1, option 2 or visit your local Internal Revenue Service Office to obtain a copy.*

Process for Parent Non-Tax Filers

Parents who are not required to file 2023 Federal income taxes **must provide a signed statement certifying that they were not required to file a 2023 federal income tax return; along with copies of all 2023 W-2(s). If no W-2s they must include a statement listing the sources and amounts of earnings, other income, and resources that supported them for the 2023 tax year.**
