Our Business Office and Financial Aid staff members are here to help you navigate the payment process for tuition and fees. For your convenience, we have put together the following information, which outlines important deadlines and how payments can be made.

$ PAYMENT OF TUITION AND FEES

Payment of all charges is due by August 1 for the fall semester and January 1 for the spring semester. Please note that if payment isn't received by the due date, you risk registration cancellation. Any student who pays less than the total amount due on the due date will be assessed a monthly finance charge of 1.5 percent on the unpaid balance unless enrolled in a payment plan.

Students with a past due balance will be placed on a Business Office hold and prohibited from registering for classes and/or obtaining official transcripts.

Payment can be made as follows:

• In Person: Credit card, cash, or check payments are accepted at the Business Office between 8 a.m. and 5 p.m., Monday through Friday.
• By Mail: If mailing your payment, your check or money order should be made payable to Westminster College and sent to: Westminster College/Accounts Receivable 501 Westminster Ave. Fulton, MO 65251
• To avoid delays in processing your payment, please write your student ID number on the face of your check or money order and allow at least seven days for mail delivery.
• Online: Credit/debit card and e-check payments can be submitted through the internet. Visa, Mastercard, Discover, and American Express are all accepted cards. Please note: A convenience fee will be charged for credit/debit card payments. There is no fee for the e-check option.

**PENDING FINANCIAL AID**

The financial aid reflected on a bill prior to the start of a semester is an estimate and may not reflect actual registration. Prior to the start of a year or semester, initial financial aid eligibility is based on the assumption of full-time enrollment. Financial aid will be prorated for students enrolled in less than 12 hours after they submit the Part-Time Enrollment Form to the Registrar’s Office.

- Student and parent loans: Loan applications must be received before the loans will be reflected on your student account.
- Verification of FAFSA: If your FAFSA was selected for verification, you must submit all required documents to the Financial Aid Office before your financial aid will be reflected on your student account.

**CHANGES TO FAMILY FINANCES**

The 2022-2023 FAFSA includes 2020 student and parent income tax information. If your family experienced an income reduction in 2021 or 2022, you may qualify for additional financial aid. If you have already been awarded the maximum state and federal financial aid, you may not be eligible for additional financial aid. To discuss your family's situation, please contact the Financial Aid Office at 573-592-5364 or FinancialAid@WCMO.edu.

**OUTSIDE SCHOLARSHIPS**

Outside scholarships are applied to the student account once your check is received and will not be included as pending financial aid.
HEALTH INSURANCE OPT-OUT WAIVER

All students are required to have health insurance. Domestic students with their own insurance must complete the opt-out process once annually. The deadline is August 31, 2022. To complete the opt-out:

PARKING FEE

All students will be charged a $38 parking permit fee each semester. Students may waive the permit each year, provided the student doesn't have a car in Fulton. To complete the Parking Fee Waiver:

CREDIT BALANCE REFUNDS

If you qualify for a refund, please note that refunds are issued once all financial aid is posted to student accounts. Financial aid is typically posted to student accounts after the seventh day of class.

Note: Financial aid will not be estimated and refunded prior to posting. Refunds are issued by check and refund checks are typically ready for pick up after 1 p.m. on Fridays. Student refund checks will be held at the Business Office for pick up until the following Friday morning. Checks not picked up will be mailed to the home address on file.

If you prefer that we mail your check instead of holding it in the Business Office, you will need to complete a Credit Balance Form in the Business Office each academic year.

Credit balances resulting from Parent Plus loans will be refunded to the borrower and mailed to the borrower’s address unless instructed otherwise by the parent.
After registering, if you decide to withdraw from a course(s), or not attend Westminster College, you must contact the Student Success Center and follow the proper withdrawal procedure. Failure to attend class does not constitute an official withdraw.

Upon withdrawal from the College, tuition will be refunded according to the following schedule for the fall and spring semesters (miscellaneous fees are non-refundable).
