## RETENTION RATE DISCLOSURE

Westminster College is pleased to provide information regarding our retention rates. The information is provided in compliance with Section 485(a)(1)(Q) of the Higher Education Act (HEA) of 1965, as amended. Retention rates measure the percentage of first-time undergraduate students who return to the institution the following fall.

During the Fall 2024 semester, 155 first-time, full-time, degree-seeking undergraduate students entered Westminster College. 110 or 71% of these students were enrolled the following fall term.
