Dear Students of Westminster:

In addition to the communication from President Lamkin regarding the COVID-19 (Coronavirus), I am contacting you with regard to your upcoming Spring Break travel plans and our recommendations. As you approach the upcoming Spring Break, we are encouraging you to stay apprised of the latest recommendations and notify us of your travel plans. We have created a survey on MyWC to inform us of your travel plans so that we can best care for you and ensure communication. Below are links from the Centers for Disease Control and Prevention that are specific to higher education and travel as well as Missouri-specific information.
